A. K. Lamb, of the Carson Mint, and at one time Sheriff of Washoe county, was down from the Capital yesterday circulating among his Republican brethren of this section.

Dr. Hogan is a crank on political matters as everybody knows, and is not responsible for what he says or what he does. If there was a Political Asylum he should be confined in it until he became happy.

The Democrats had quite a meeting at Verdi last Saturday evening. Doc Hogan made one of his characteristic speeches. Charley Gulling took his speech out of his pocket and read it to the assembled multitude.

Dr. Hogan reminds us of the boy who wailed his mother was dead. "Why, my son," said the fond and loving parent, "have I not been good to you, humored you ever since you were a child, and gone without necessities that you might have luxuries—and you wish I was dead. And why?" "Oh, well," said the arch, "I'm tired of seeing you around." And so it is with the Doc. He has been a Republican, Greenbacker, Democrat, and politically the people are tired of seeing him around, and he fails to realize the joke.

Republican's Attention!

Every good Republican is invited to go up to Carson with the John P. Jones Young Men's Republican Club Thursday evening. The transportation both ways will be free to all who will carry a torch or transparency. The train leaves at 6:15 p. m. Those contemplating going will see that their names are with the Executive Committee.

Prisoners Escaped.

George W. Lewis and August Richards escaped from the State Prison yesterday morning, and \$100 reward for each is offered.

CHARLEY DAVIS.

Particulars of His Sudden Death at His Home in Oakland.

Of the death of Charley Davis, who at one time resided in Reno, and here married Hattie Cross, a sister of Mrs. C. H. Stoddard, and who had many friends here, as indeed, wherever he was known, the Oakland Times of the 24th instant contains the following account:

"Genial, whole-souled Charles E. Davis is dead. The news came to his large circle of friends on yesterday like a clap of thunder from a clear sky. It seemed hardly possible that the cheery laugh and warm hand clasp had been stilled in death. His was a familiar form on our streets, and no one was aware that for several months the grim specter had been folding him closer and closer in its embrace. He was at his desk in the County Clerk's office, where he has been employed as a registration clerk, on Wednesday, but complained of not feeling well and went home a little after 2 o'clock in the afternoon. After chatting with his family for a little time he went to a drug store for some medicine, came home and retired. He was not sufficiently ill to occasion alarm, as for several days he has been complaining of not feeling very well. At a little before five o'clock yesterday morning his wife was awakened by his labored breathing. She quickly aroused the household, but before medical aid could be summoned the loving husband, affectionate father, devoted son and faithful brother had passed beyond the border. "Since his death it has been learned that Mr. Davis had been under the treatment of Dr. Frank Gallagher for several months for heart trouble, which caused his demise. He had been advised by his physician that the end was at hand, but he suddenly, but to his friends he gave no sign that the grave was casting its dark shadow over him, and remained the same bright comrade, and faithful sunny friend to the last. "Charles E. Davis was born in Canada forty years ago, and came to the coast with his parents when only four years old, and has lived here ever since. For two years, since attaining his majority, he lived in Nevada, where he was engaged with a United States Survey Corps, and where he married his bereaved widow. He was for several years employed as traveling salesman for one or two large tobacco houses in San Francisco. Since then he has been occupied as one of the census enumerators, and more recently in the County Clerk's office. "Upon going home on Tuesday evening he informed his brother, Mr. F. A. Davis, that he experienced a severe shock in the region of his heart, which rendered him faint for a few moments. "Mr. Davis was a member of Oakland Lodge, No. 188, F. & A. M., and will be buried under its auspices from the Masonic Temple at 2 o'clock on Sunday afternoon. His widow and two boys, aged 10 and 15 years, are deeply sympathized with by the entire community. "His life was insured for \$3,000.

Early Closing This Evening.

We, the undersigned, agree to close our places of business Wednesday, Oct. 29th, at 6 p. m., in order to give ourselves and employees an opportunity to participate in the parade and political speaking at the Opera House, being a joint discussion between Mr. Bartine and Mr. Cassidy: Coffin & Loombe, Folsom & Wells, Berry & Novacovich, Dixon Bros, Biley, W. S., Reno Market, Lange & Schmitt, L. Lewis, Shoemaker & Ruth, W. O. H. Martin, Emrich, S., W. O. H. Martin, Nathan, M., Abraham Bros, Sunderland, J., Finner, Wm, F. Levy & Bro, Jacobs, S, Roberts, E. A Once Busy District Under the Ban of Court Seizure.

A United States Marshal recently levied upon the moving properties of the Manhattan Company at Austin for \$150,000. The old Manhattan mill, which has ground out \$1,000,000 on the average for about twenty-five years, has been dismantled, and what little ore is extracted from the mines of that once busy district has to be shipped to Salt Lake or elsewhere for reduction.

Funeral Notice, I. O. O. F.

Members of Truckee Lodge, No. 14, are notified to meet at Truckee Lodge hall on Wednesday, Oct. 29, 1890, at 1 o'clock p. m., sharp, for the purpose of attending the funeral of our late brother, Peter Martinoni. Reno Lodge No. 19 and all sojourning brothers are invited to attend.

Two Prodigal Sons Return.

Dorsey, alias Thorn, and Shinn, the two convicts who escaped from San Quentin in December, 1887, arrived there Monday from Chicago in custody of Captain Reddy and Assistant Turnkey Fish. They are safely inside the walls, and all precautions will be taken against their escaping in future.

Dislocated Arm.

Yesterday morning, William Meadows, an employee of the Bailey butcher shops, while delivering meat, slipped, when passing through Geo. W. Baker's gate, badly dislocating his arm at the shoulder. Dr. Phillips drew the member in place.

AN OUTRAGE.

Some Contemptible Wretches Damage the Effects of the Young Men's Republican Club to the Extent of \$100.

Monday night some contemptible wretches entered the hall of the Young Men's Republican Club, supposed to be through a window that could not be fastened on account of the electric light wires being in the way, and proceeded to demolish whatever came in their way. The mouth pieces were broken off of twenty-two flambeaus, a package and a half of laquerphodum was scattered about the floor, and twenty-two hats were soaked in coal oil, thereby ruining them. The flambeaus cost in the neighborhood of two dollars apiece, and have been used but once. The laquerphodum cost \$15 per paper, and the hats seventy-five cents each; consequently the damage foots up to about \$100. There is no clue to the miscreants. The Democratic Central Committee promptly denounced the affair and with the Winters' Club have offered a reward of \$75 for the detection of the guilty parties. The Young Men's Republican Club also offered a reward of \$25. The act was as uncalculated for as it was contemptible and has excited general indignation.

Advice to Mothers.

Are you disturbed at night and broken of your rest by a sick child suffering and crying with pain of cutting teeth? If so send at once and get a bottle of Mrs. Winslow's Soothing Syrup for Children Teething. Its value is incalculable. It will relieve the poor little sufferer immediately. Depend upon it, mothers, there is no mistake about it. It cures dysentery and diarrhoea, regulates the stomach and bowels, cures wind colic, softens the gums, reduces inflammation, and gives tone and energy to the whole system. Mrs. Winslow's Soothing Syrup for Children Teething is pleasant to the taste, and is the prescription of one of the oldest and best female nurses and physicians in the United States, and is for sale by all druggists throughout the world. Price 25 cents a bottle. feb. 21 sw-ly

A Warning.

Elko Free Press: The following letter was found in the letter-box at Carlin on the 16th of the month:

"POSTMASTER—Sir: Will you please warn all the ranchers that have wives and children on the lonely places, for they will surely be killed unless there are some men around. Oh, do be sure and warn them. It is true; a word to the wise is enough. Take them to the settlements till December. Have warned all along the road. 'Tis true; oh, be warned in time."

The letter is written on a sheet of white blank paper, and the letters are all capitals.

Nothing.

A passenger on the westbound train yesterday morning handed a JOURNAL reporter a neat little pamphlet of four pages. On the title page is "What Hon. John T. Caine has done for Utah in Congress." The three following pages are blanks. It is a campaign document gotten up by Judge Goodwin, of Salt Lake City, as a modest declaration of the able work done in the councils of the nation by his party opponent who is a candidate for re-election.

The Young Men's Republican Club Addressed by Francis G. Newlands.

Francis G. Newlands addressed the John P. Jones Young Men's Republican Club last evening. There was a good attendance and the stirring remarks of the speaker were warmly received.

NEW TO-DAY.

The importance of purifying the blood cannot be overestimated, for without pure blood you cannot enjoy good health.

At this season nearly every one needs a good medicine to purify, vitalize, and enrich the blood, and we ask you to try Hood's Sarsaparilla. It strengthens and builds up the system, creates an appetite, and tones the digestion, while it eradicates disease. The peculiar combination, proportion, and preparation of the vegetable remedies used give to Hood's Sarsaparilla peculiar curative powers. No other medicine has such a record of wonderful cures. If you have made up your mind to buy Hood's Sarsaparilla do not be induced to take any other instead. It is a Peculiar Medicine, and is worthy your confidence. Hood's Sarsaparilla is sold by all druggists. Prepared by C. L. Hood & Co., Lowell, Mass.

INSURANCE.

THE
MANHATTAN

Insurance Company.

Assets, \$12,000,000.

The history of the past has proven beyond a question that an endowment policy in a life insurance company is a much

BETTER INVESTMENT

Than a savings bank; FIRST, because it is very much safer—as the law of the State of New York requires every life insurance company to keep a

Reserve in First-Class Securities

Equal to its liabilities dollar for dollar; SECOND, in case of death while making these small deposits, the life insurance company will pay, just when most needed by the family, the

Full Amount

Of the sum insured, amounting to 10, 20, or even 30 times as much as has been deposited; or on the

Return Premium

Plan of the MANHATTAN, they would do even more than this, for they would at death pay the face of the policy and in addition all the deposits (premiums) paid, while the savings bank would only return the amounts actually deposited with interest

Who would not purchase a valuable piece of property—a farm for example—worth \$10,000, if he could have twenty years to pay for it, in small sums of \$300 per annum with interest on deferred payments and without any tax on it? The \$300 per annum being only 3 per cent of the \$10,000—a sum not much greater than that paid annually for taxes on property in hand, of the same cost, and especially if he could have the further conditions specially stated in the contract, 1st, that if he died while making these payments—even after one only has been made—

No Further Payments Shall be Required

And the full title in fee simple to the entire farm shall at once be given to his family, and 2d, that if at any time after the three years during the twenty years he shall be unable to continue the payments and on sickness or any misfortune, that then he could discontinue any further payments and have in fee simple such portions of the farm as he has paid for; thus, if one-fourth of the payments had been made he would own one separate fourth of the farm, etc., and at the same time the farm be entirely free from all claims of creditors, under all circumstances, not even to be reached by writ of execution or attachment issued by any court, while if living to the end of the twenty years and the annual payments have been made, the

Entire Property in Fee Simple

Is secured.
Now the MANHATTAN LIFE INSURANCE COMPANY offers all this and more, for instead of offering LAND on these terms, which is often eaten up by legal expenses and fees in case of the death of the purchaser, or swallowed up by a mortgage given to secure deferred payments, thus losing the whole amount paid in and leaving the family destitute, or dependent, it offers a

Specific Bond Secured by Millions
of First-Class Securities.

Agreeing to pay MONEY on the same terms and conditions as above—the cost per year varying at different ages, but otherwise substantially the same terms as above stated, while the sum to be paid at the end of twenty years will be increased by dividends and compounded interest for the full term, thus making the investment a very PROFITABLE and ADVANTAGEOUS one.

Inquiries concerning the bonds of this company will receive prompt reply if addressed to

PLATFORM AND RESOLUTIONS

Adopted by the Republican State Convention held at Virginia City, Nevada, September 4, 1890.

The record of the Republican party is its best platform.

No political party in human history has taken such advanced positions for the equality of races, none has so well defined the administration of authority to the needs of business, none has so managed the affairs of a State as to encourage the development of a continent, none has so elevated a nation and so contributed to the happiness of man, none has so honestly and economically carried on the routine duties of office.

In all things it has been the direct opposite of the Democratic party. Grand in its ambitions and bold in its action, it has been the only party strong in its devotion to principle, it is now, as it has been from birth, the representative of all that is noblest and best in its own country and hope and promise of a better future for the human race.

Its battles for human rights, its preservation of the Union, its abolition of slavery, its protection to labor, its elevation of manufacturers, its upholding of the National credit, its efforts in behalf of honest financial methods, its homebased system, and its devotion to popular education have made for it the greatest record of any political organization this or any other country ever had.

The names of its heroes are legion, and the deeds of Fremont, Lincoln, Grant and Garfield will shine like electric lights on the pages of history. The crimes of its enemies, in its convention assembled, have been greater advances in correct and needed legislation than any since the war. The Democratic party, by the action of the party, has been done away with by the genius of the Republican party. The Democratic party, the offenders taught that Congressmen are paid by the people for making good laws and not bad politics. It had, by a strictly party vote, placed the silver question that will lead naturally to free coinage and disarm all opposition from financial interests. It has taken up the work of a readjustment of

POLITICAL.

the tariff in a patriotic and business like way, such as will protect the interests of labor and at the same time encourage the capital to enterprises that will furnish it with employment at good wages.

New States which were denied their rights before have been admitted to the Union, and the grip of Tammany Hall upon the President has been broken.

Trusts that grew rank under Cleveland's Administration have been broken up and made to obey the laws of honest commerce.

Efforts are being made to prevent or punish frauds and intimidations in elections.

A navy has been provided for and suitable pensions granted to prevent suffering among the sick and wounded heroes of the war.

Provision is being made for the reclamation of the arid regions, where the Republican policy of free homes and free schools can be extended.

Unearned land grants are being restored to the public domain and the land thrown open to settlement, and in all things the pledges of the National platform are being amply redeemed.

We endorse the Administration of President Harrison and commend his conservative course as striking in contrast with his predecessor in office.

During the former Administration silver and wheat touched the lowest price ever known, and farmers burned the corn for fuel.

Stimulated, finances disarranged, strikes prevailed, the mail service was demoralized and business found itself oppressed instead of being encouraged by the methods of the Government.

Whole business should be to benefit the country.

To-day silver, wheat and all the products of labor are rapidly rising, and while the Democratic officials may be in receipt of interest on the money they have loaned to the people, the results of blunders as they would be for crimes.

Under Harrison, Chinese and contract labor are kept out of the country, American laborers and mechanics protected, agriculture is encouraged by a department intelligently conducted for its benefit, and the laws administered in a wise, firm and patriotic manner.

In presenting its ticket to the voters of Nevada the Republican party pledges its nominees to retrenchment wherever it is possible in county and State expenditures.

We pledge our nominees to a system of State improvements which shall save the water now running to waste and devise means to secure its use in the irrigation of fertile lands now lying idle.

We endorse the measure introduced by Senator Stewart proposing to cede the lands within our lines to the State for the purpose of aiding to improve our water storage and irrigating systems, and we appeal to Congress and the President to grant this much needed aid.

We find the course of our Senators and Representatives in Congress, and commend their efforts to establish on a better basis, the use of silver as money, and reaffirm our uncompromising demand for the free coinage of both gold and silver and their equal station in our National currency.

Whereas, The practice of letting mail contracts in this State to non residents thereof, who seek and obtain such contracts only for the purpose of subverting the same has resulted in an inferior and impaired mail service;

Resolved, That our delegation in Congress be requested to procure, if possible, the enactment of a law to prevent such abuses in the future.

We are in favor of the improvement of the wages of American labor by restricting immigration from foreign countries, a thorough revision of our navigation and land laws, the construction of naval and coast defenses, the fostering of free schools and popular education, the enforcement of a free ballot and a fair count, cherishing the services of our country, the fostering of every citizen at home and abroad, the fostering of a policy that will extend our commerce, the settling of all foreign complications by arbitration, and liberal appropriations by Congress for the construction of water reservoirs and a system of irrigation.

Resolved, That we are in favor of the Australian system of ballot.

Resolved, That as the coming election the questions as to whether or not a Constitutional Convention will be held is to be submitted to the people, that we earnestly invite a calm and thorough discussion of the question during the campaign.

Resolved, That it is the policy of the Republican party of Nevada to secure all safe and possible retrenchments in public affairs, and to insist on the necessity of unnecessary offices and useless deputies in adjusting salaries upon a basis of services performed, decreasing the per diem and mileage and shortening the session and lessening the number of members of the Legislature, in the reduction of taxation and in consolidating county offices and diminishing county expenses, and to this end we pledge the nominees of the several county conventions be likewise obligated.

Resolved, That we are in favor of the construction of a canal to be used for a water storage and reclamation; at the same time we call attention to the fact that a large portion of our previous grants is unutilized, and can be used for these purposes without waiting for additional appropriations.

We are in favor of the use under wise plans and safe management of the large fund lying idle in the State Treasury in a way to quicken it into life and start it through our great valleys, reclaiming acre after acre, making homes for new citizens, and adding to our taxable property, and we recommend that our Senators and Assemblymen give their matter their careful attention adopting the system which promises the greatest good to the State, giving it the solid support.

We are in favor of the acquisition, either by State or county, of the control of the water storage sites of the Truckee basin, so that they may, in time be made useful to the public, without the possibility of their falling into the hands of private monopolies.

We are opposed to bonding Washoe county for the purpose until the question is first submitted to the qualified electors of the county, of that upon which the bonds are to be issued for their approval or rejection.

It is the sense of the Republicans of Washoe county that a Constitutional Convention is necessary in order to secure such reforms in the public service as our small population and material resources demand, and we, therefore, most earnestly urge upon the voters of this county to cast their ballots in favor of such a convention at the coming election.

We demand that the membership of the Legislature be reduced to forty, their per diem to six dollars per day and their mileage to actual and necessary traveling expenses in going to and from the State Capital.

We are in favor of the donation of the public lands to the State to be used for a water storage and reclamation; at the same time we call attention to the fact that a large portion of our previous grants is unutilized, and can be used for these purposes without waiting for additional appropriations.

PLATFORM.

The Republicans of Washoe county, in convention assembled, renew their pledges of faith in, and allegiance to the doctrines and principles of the Republican party, which in the future, as in the past, will continue to vote for the people the broadest and most enlightened freedom, consistent with safety to the State, and the perpetuity of our form of government.

We most heartily endorse the platform adopted by the Republican State Convention at Virginia City as a mainly a conservative declaration of principles suited to the necessities and demands of the people of this State, and strongly in contrast with the billingsgate and rivalry of the Democratic indictment which was presented by the Grand Jury of that party, in their recent State Convention.

We recognize in our delegation in Congress, Hon. J. F. Jones, Wm. M. Stewart and H. F. Bartine, able and efficient public servants, who have been untiring in their efforts to promote the interests of the people of Nevada, as well as those of the whole country; and we desire to accord to them that full measure of praise which their valuable services so richly merit.

That we commend the wise and conservative administration of President Harrison, who has redeemed the pledges so solemnly made to the people in the National Republican Platform, and has fully justified the confidence reposed in him by the suffrages of the American people.

We endorse the act of the Republicans in Congress in increasing the tariff on wool, so as to encourage the production of staples hitherto imported, which Grover Cleveland, in a special message recommended to be placed on the free list; and in the message over Democratic votes of a silver bill which has increased the value of the product of our mine a more than ten millions of dollars, added seventy-five millions to the value of our wheat crop, one hundred millions to the oat crop, and two hundred millions to the corn crop of the United States.

It is with the most profound sorrow that the Republicans of Nevada received the news of the death of Hon. C. O. Stevenson, late Governor of this State. We deplore his loss in the councils of the party, where he was every ready
